ARTEMA ▲

Uppsala
Arlanda Airport (35 km)

By car from Stockholm:

Go north on highway E4 from Stockholm. Turn left off the highway at "Ulriksdal" (S1) and go on highway E18 until you see a (very) large white, curved building on your left hand side. Turn left just before the building (S2). Turn right at the following T-crossing (3) and follow that road (Rissneleden) until you see a large yellow brick building on your right hand side (4). Go through the archway in the building, park your car to the right. Artema is located in number 136. Take the elevator to the 5th floor and you will see our reception.

By car from Arlanda airport:

Go south on highway E4 from Arlanda. Turn right off the highway at "Kista" (A1) and go on road 279. Turn left at the E18/279 crossing and go on until you see a (very) large white, curved building in front of you. Turn left just before the building (A2) and then immediately right. (S2) Turn right at the following T-crossing (3) and follow the instructions above to Artema.

By underground:

Take the blue line travelling towards Hjulsta. Get off at Rissne, ninth station from Stockholm central station. Walk "Kavallerivägen" down (400 m) and turn right as it ends. Walk another 150 m and you will see a large yellow brick building on your left side. Walk through the archway and locate number 136. Take the elevator to the 5th floor and you will see our reception.
